

A Suicide Postvention Community Program

Building Hope, Healing, & Resilience Together

Join us in supporting our community after any traumatic loss. Connect offers guidance, resources, and support to help individuals, families, and organizations heal and strengthen prevention efforts.

GET INVOLVED!

Carbon County Prevention Network is working to build Connect Teams in Carbon County.

If you would like to get involved, please reach out:

**TOGETHER, WE CAN
BUILD A SAFER &
MORE SUPPORTIVE
COMMUNITY FOR EVERYONE.**

Community Benefits

HEALING AND HOPE

- Helps survivors of suicide loss feel seen, supported and safe.
- Builds a shared understanding and pathway forward.

REDUCES STIGMA

- Encourages open, respectful conversations about mental health, grief, and suicide.
- Helps communities develop a language of compassion, not shame.

STRENGTHENS COMMUNITY RESILIENCE

- Prepares communities to respond together, not in isolation.
- Fosters a connected, caring culture that can prevent future tragedies.
